

1. Two meals per day is standard

2. Quarters are gold

3. Squirt guns = Stress relief.

4. Going to the mailbox was never an ego booster/breaker before.

5. Your bookstore bill will almost equal tuition

6. You never realized that so many people were smarter than you!

7. Instant messenger becomes an addiction.

8. E-mail becomes your second language.

9. College students throw paper

airplanes too.

10. College football is the coolest thing on the planet

11. Western Europe could be wiped out by a horrible plague and you wouldn't know, but you can recite last week's re-run of The Simpsons verbatim.

**12. Cartoons are for
all ages, especially
Scooby Doo.**

**13. Disney movies
are more than just
classics.**

**14. You will never
rent more movies in
your life**

15. Procrastination is an art form.

**16. Keys have never
been so important, yet
you seem to lose them
or lock**

**17 Care packages are right up there
with birthdays.**

**18. Nothing you want to register
for will be open.**

**19 Classes... the
later the better.**

**20. Asleep by 2:30 am is an early
night.**

21. Jeans may be worn as many times as the wearer desires.

22 The only time to dress up is when your jeans are dirty.

23 Showers become less important; sleep becomes more important.

**24 Creativity in the
dining halls is key...**

**25 Dishes smell after
days of piling up.**

**26. Cereal makes
a meal any time of the day.**

**27. New additions to food groups:
ramen and pizza.**

**28. Everyone is only nice
for the first week. After
that, no matter how nice
you are, some people just
won't smile back.**

29. Yet... You are never alone!

**30. You realize college is
the ideal lifestyle, except
for those pesky classes...**
